IN MEMORY

Since publication of our last newsletter, we have learned of the deaths of the following brothers:

Ray Painton '49
Edward Kilroy '54
Donald Lowry '56
Kyle McClellan '00

We have proven it is possible to revive an organization if there is a strong foundation of friendship, a strong sense of belonging and its members BELIEVE in one common goal. **CONGRATULATIONS TO EVERYONE WHO PARTICIPATED IN GETTING US OVER THE \$1MM mark.** It's evident through everyone's efforts and concern that something about that house bonds us all no matter what era we are from or where we are in our lives.

There is a sense of renewal and excitement that has come from everyone's participation. Many old friendships have been renewed through the solicitation process and it's making our organization stronger. It's downright inspiring, and your renewed faith has energized the leadership team of this campaign.

We have proven that a "power-by-numbers" approach works—we exceeded this milestone because over 240 brothers believe our house and the heritage that comes with it is worth saving. Getting large donations from a select few is critical to our success. But it is participation from a large percentage of ALL alumni members that allowed us to be successful.

The Foundation We've Built On

One hundred and two brothers from the 1985-94 period made pledge commitments totaling \$359,100. That's exactly 50% of the alumni from this period that committed to the campaign. A buy-in that our consultants have said is unheard of. Well, they never heard about Chi Phi, Alpha Delta. Don't forget, we would not even be close to this mark if it weren't for the other 138 alumni outside of this 10-year period that made up the other \$690,000+ in written pledges. You guys gave us the foundation to build on to make this all possible. The combined team effort from

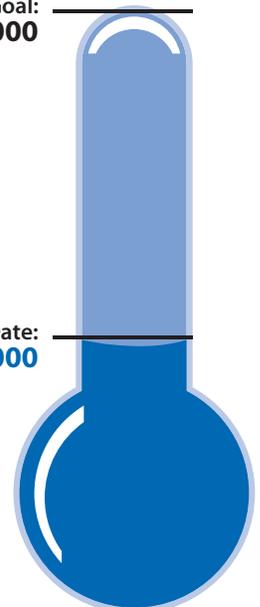

everyone has been simply outstanding.

We had a chance to celebrate for a brief moment but we must now continue to build on the momentum we have developed. We are counting on the other 50% of the guys that haven't made a pledge from the 1985-94 era to step up and help the other eras by leading us in the next phase of the campaign.

We would be remiss if we didn't thank the four brothers, **Dave Brockway '77**, **John Meyer '78**, **Bill Marsh '77** and **Andy Schultz Sr. '60** that have made the leadership pledges of either \$100,000 or \$50,000. They are presently loaning us the money to float the house as it stays vacant and we continue to forge ahead with the campaign. Thank you guys. Without your undying support, none of this is possible.

Total Campaign Goal:
\$2,250,000

Pledges to Date:
\$1,054,000

Family Matters

By Wally Kuhns '88

Chi Phi is a unique part of our family albums. Though the individual pictures on the surface appear different these chapters have commonality and served an important role shaping us as young adults and beyond ... teamwork, companionship, trust, community, leadership. What did you gleam from your time at 360 East Hamilton? What life benefits has this foundation offered you?

“Regardless of your path, now is the time to reflect on your commitment to Chi Phi Alpha Delta, to ensure others enjoy the same connection we shared as family.”

Few among us haven't somehow stayed connected as brothers, as family. At minimum, these relationships exist through our pledge experience when each of us was selected into a house family. Who could ever forget a little family competition at the Annual Quartz Festival? For others, the legacy experience meant following a (blood) family member to

Chi Phi. We have many examples of father/son teams, twins, even families with four real life brothers at our house. Over the years we've lost family members, and the support shared in those trials proved our family tree is stronger than ever.

Regardless of your path now is the time to reflect on your commitment to Chi Phi Alpha Delta, to ensure others enjoy the same connection we shared as family. Our four walls in State College are much more than just a structure; they house memories that populate our life's photo album. Let's

ensure our bond to each other affords that same family legacy going forward. And as Hussy says, “buck up.” The time is now to make sure our capital campaign succeeds.

The Chi Phi house is much more than a structure, it houses memories that populate our life's photo album, like this memory from Champale 1983.

CAMPAIGN UPDATE

(Continued from Page 1)

Next Stop on Our Journey: \$1.4MM by July 31

It has been one amazing ride but our journey has just begun. We now move on to our second phase of the campaign and our next goal--\$1.4 MM. The guys from 1980-84, 1995-2000 and 2001-2005 are ready to take charge. They have agreed to

take the leadership role in getting us to this mark of \$1.4MM. **We have put a deadline of July 31 to get to this mark.** We get there with the same momentum and support that got us to the first mark.

Leaders from these three eras will be reaching to the other brothers from these five-year periods soon. If you haven't joined

us--it's your time. Once again, we are counting on brothers from other eras to assist in reaching this second goal.

ALUMNI UPDATES

Anthony Canike '62

(2868 Creamery Rd., Solebury, PA 18963; accan@aol.com) I would very much like to connect up with some of the brothers from my time at Chi Phi. We have retired from the diner business we operated for 42 years in New Hope, Pa. We still operate our weekend flea market (New Hope Flea Market) March thru November. We live in New Hope area, spending summers in Toms River, NJ and winters in Naples, FL. Has anyone heard the where abouts of Michael Weinmeyer, Landscape Arch. Class 1961?

Cliff McKrell '67

(11726 W. 101st Ter., Overland Park, KS 66214; cwmckrell@yahoo.com) Enjoying life with my bride of 38 years in the Kansas City area. Easing into semi-retirement (plan to continue to work, but not as much in the coming years) as an investment & insurance advisor. Officially retired from the Air Force. I often think of the good times at the house and of the great people I knew who helped shape my life. I hope to attend another reunion in the next year or two.

Charles Bickley '68

(7 Philip St., Medfield, MA 02052; chulu.bic@verizon.net) After graduating in 1968, Louise and I married in Eisenhower Chapel and traveled to Colorado for my first job. Two years later we came back east to New York with a family and added one more. Over the years I've worked for IBM, HP and EDS. I started my own IT consulting business and sold it and have been doing business re-starts and rescues for the past few years. Boston has been our home for over 30 years. We celebrate our 42nd wedding anniversary this year. Both children graduated from PSU and belonged to the Greek system and had lots of fun. The best time of our lives is now spending quality time with five grandchildren, ages 5 to 9.

Scott Hallman '87

(986 Dogwood Trail, Franklin Lakes, NJ 07417; dsh986@yahoo.com) **Bob Martin '87** reports that "Amy and **Scott Hallman '87** announced the arrival of their first child, Zaria Angeline Hallman on 10:13 a.m. Feb. 23. She weighed in at 7 lbs 10 oz. and 20 1/2 inches. Mom and baby are doing fine. Dad—not so good—he realized

he'll be 62 when she graduates high school."

Brian "Dakota" Tupa '95

(16421 Black Rock Rd., Darnestown, MD 20874; dakotalawman@hotmail.com) I'll be celebrating my fifth wedding anniversary in June. We have two sons: Kage (3 1/2) and Kolt (2).

Mike Jeffrey '99

(2116 Hassell Place, Charlotte, NC 28209; mjjeffrey@paychex.com) I am excited to have joined **Brian Moran '99** in his latest business venture. Buoyed by the success of his pilot reality show, Three Babies and a Man, Brian has launched an effort to capitalize on the success of the show throughout the Southeast. He is currently in talks with multiple VC firms to secure funding to launch a new product for single fathers. Based on the success of our VC funding efforts, we may eventually reach out to the brotherhood for private investment as well.

The Chi Phi house is more than just bricks and mortar: it houses decades of memories! Read more on page 2.
